In 2016 the school will be offering to fill the booklist above for parents. This will give parents the assurance that they are getting the correct books and will meet their child’s educational needs. The book list for 2016 will cost $94. This includes all items excluding those indicated above. Please note that tissues, coloured paper and copy paper will not be sent home. These items will be left at school and used as needed by the class.

**Student Voluntary Contribution Payment - $40/annually**

In addition to the school’s book list, parents are asked to contribute to the ongoing cost of workbook printing and resourcing for classroom activities. Gladstone South State School does not use text books for classroom learning and relies on copying of materials to support classroom curriculum. By not using text books we are greatly reducing the cost of education for our families. In 2016 we are asking for an annual non-refundable student contribution. This payment can be made at the school’s office. A family rate has been developed to support larger families. Fees are as follows:

1 child - $40
2 children - $75
3 or more children - $100
